Dear Skipper

Survey – Certificate of Fitness (COF)

Please have a copy of the following documentation ready for the survey of your vessel:

- ✚ SAMSA Safety Checklist (Attached) – Please complete the first 3 pages and check the list to see that your vessel conforms. Tick each item as you check before you confirm the appointment of survey.
- ✚ Copy of Vessel Owner ID
- ✚ Skipper License (COC) + Radio Operators License
- ✚ Buoyancy Certificate
- ✚ VHF Radio License (Required for all vessels fitted with a VHF Radio - Cat. D/C/B) OR a copy of Application with copy of deposit to ICASA
- ✚ Copy of previous Certificate of Fitness (COF)

In addition, please remember the following is needed:

- Fire Extinguishers need to be serviced
- Flares need to be valid for the next year (Or within a month or two)
- If there has been a change of ownership than the following is needed:
 - Notice of Change of Ownership and copies of documents as listed on the form
- Please ensure that for the survey process you provide:
 - Safe Access to your vessel
 - Your vessel is ready for the inspection (Neat, not under cover & good in working condition)
